EXPERIENCE

Audio Engineer & Artist Marketing - Self-Employed

January 2018 - Present | Pomona, California & Tulsa, Oklahoma

Provided Recording, Mixing, Mastering, Merchandising & Event-Planning Services to Artists.

Key Accomplishments:

- Built an extensive, consistent clientele from the ground-up with no formal training.
- Collaborated with hundreds of vocalists, producers, event coordinators and venues.
- Credited as the Recording Engineer for hundreds of songs and credited as the Mixing & Mastering Engineer for dozens of full-length independently-released albums.
- Started a Pro-Artist company designed to design, print and distribute merch on behalf of dozens of independent artists while the artists collected 100% of their profits.

Social Media Manager - SMPL Media

July 2017 - December 2017 | Pomona, California

Handled All Social Media & Digital Marketing Coordination for 20+ Clients.

Key Accomplishments:

- Established and maintained Brand Identities for numerous clients in the industry.
- Coordinated with graphic designers, photographers & videographers in content creation.
- Grew client followings and engagement consistently month-over-month.
- Handled all communications with the clients I was assigned on behalf of the company.

Marketing Director - No Smoking Zone, LLC

January 2016 - August 2016 | La Habra, California

Handled All Social Media, Digital Marketing, Physical Marketing & Warehousing.

Key Accomplishments:

- Established and maintained Brand Identities for numerous clients in the industry.
- Coordinated with graphic designers, photographers & videographers in content creation.
- Grew client followings and engagement consistently month-over-month.
- Handled all communications with the clients I was assigned on behalf of the company.
